ORGANIC

BIONELKI

BIO cubes with fresh Medjool dates

BIONELKI is a great alternative for a quick, healthy and energetic snack. Small, cut pieces of ground fresh date, coated with coconut, almonds, sesame or freeze-dried fruit raspberry or apple surprise with taste.

The key to healthy and good taste are top-quality ingredients. No heat treatment, retains many BIO active vitamins and minerals in BIONELKI. Only in fresh MEDJOOL dates - from which BIONELKI are mainly made - are 15 natural vitamins and minerals (e.g. potassium is 696 mg / 100g).

BIONELKI are 100% organic. They are produced WITHOUT preservatives, dyes, hardeners and emulsifiers. WITHOUT added sugar, sweeteners and salt. High quality ecological product. Gluten free product. Also recommended for vegan.

COMPOSITION:

Fresh BIO MEDJOOL dates (80-90%). Depending on the taste version: freeze-dried fruits (BIO raspberry, BIO apple), BIO sesame, BIO almonds, BIO cinnamon, BIO natural flavors (raspberry, almond), BIO cocoa with reduced fat content, BIO unrefined coconut oil from cold pressed coconut pulp.

The product prepared by hand, without heating.

PACKAGE:

- Net weight 40 g, 80 g, 500 g

STORAGE OF PACKAGING:

Closed packaging is best stored in a dark, dry and cool place. In commercial conditions - store at room temperature. Note: freeze-dried fruit (especially raspberry), regardless of where it is stored, may lose color over time, without affecting taste or nutritional value.

Polish, family-owned company. Direct importer and producer of BIO food based on fresh MEDJOOL from Israel. In addition to importing fresh MEDJOOL products offered under the brand **HEALTHY DATES** (pol. ZDROWE DAKTYLE) and **BIO FRESH DATES** (pol. BIO ŚWIEŻE DAKTYLE), we also produce healthy food based on organic fresh MEDJOOL, under our own brand: **DAKTYNELLA - date creams based on fresh MEDJOOL dates and BIONELKI - cubes from fresh MEDJOOL dates**. We offer organic food production services under the customer's brand (private labeling).

We attach great importance to the quality of imported raw materials. All ingredients and products with the OrganicHouse logo come from certified organic plantations, where fruit is grown using organic compost without the use of chemical fertilizers and pesticides. Organic farming certificate: AGRO BIO TEST: PL-EKO-07-17903.

We deliver our products to retail chains of over 3000 BIEDRONKA's stores, over 700 Lidl's stores as well as Kaufland, Makro, Eurocash and over 300 specialist stores in Poland.
